

From these valleys -
from these hills -

A pictorial record of the 1977-78 school year

The Laurel 1977
Volume 26
Laurel Valley High School
New Florence, Pennsylvania

From these valleys— from these hills—

As we look back on our school days, it is easy to reflect that we have climbed many hills and have crossed many valleys. It is easy to remember that at times, when we thought we would never attain our goals, we looked around and found ourselves right on top of that hill.

But hills and valleys mean more to us than just life's ups and downs. We of Laurel Valley are uniquely blessed. We look outside; the hills and valleys surround us. We are indeed fortunate to live in their midst.

Many of us will eventually leave this area, but we will remember those rolling hills and beautiful valleys. They will remain forever a part of our lives.

The 1978 LAUREL staff hopes that each student can climb every hill and discover a successful view of life from its peak, and that they will experience beauty and serenity in each valley they cross.

Homecoming is always special - even in the rain

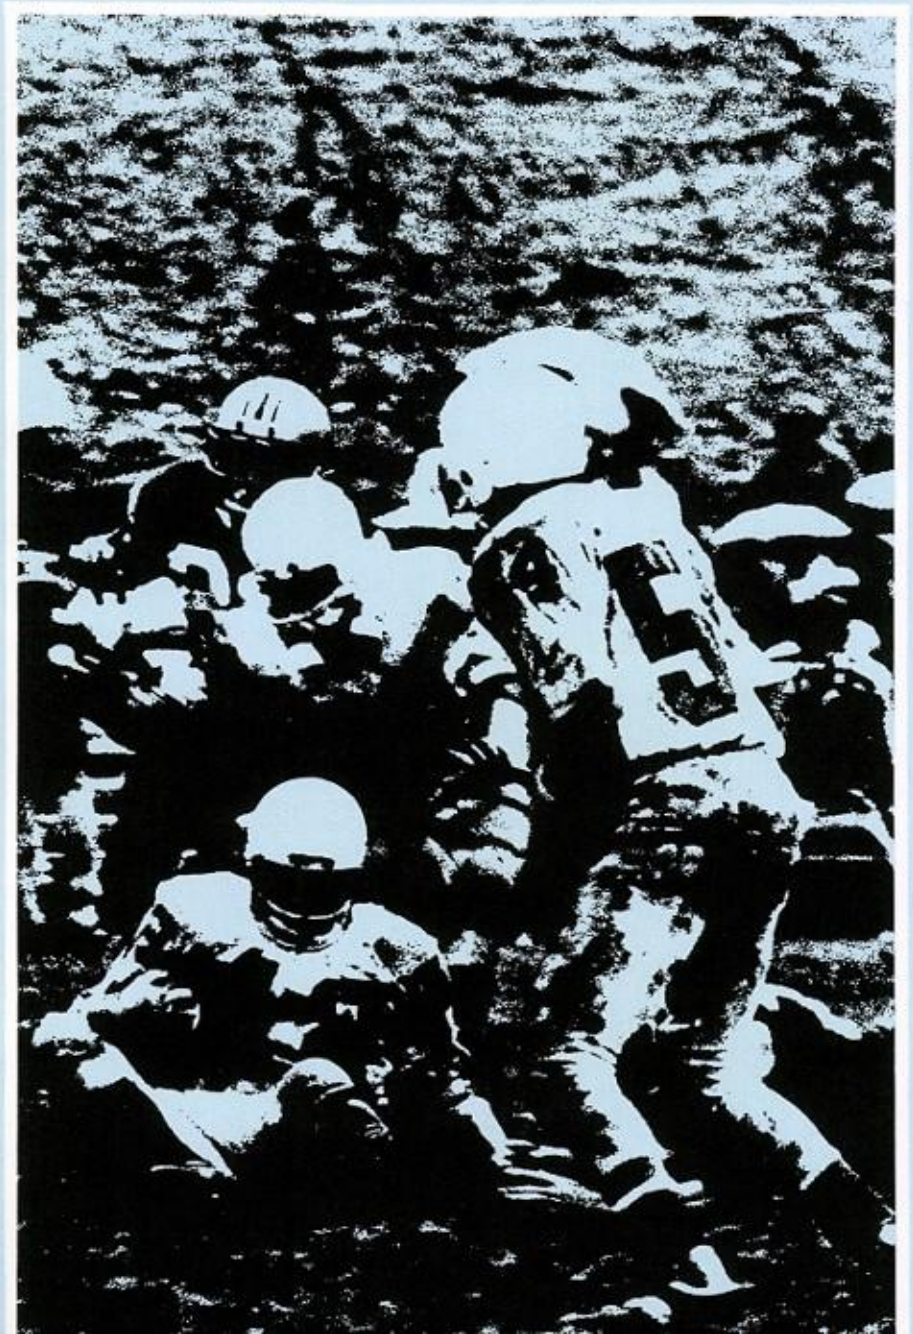

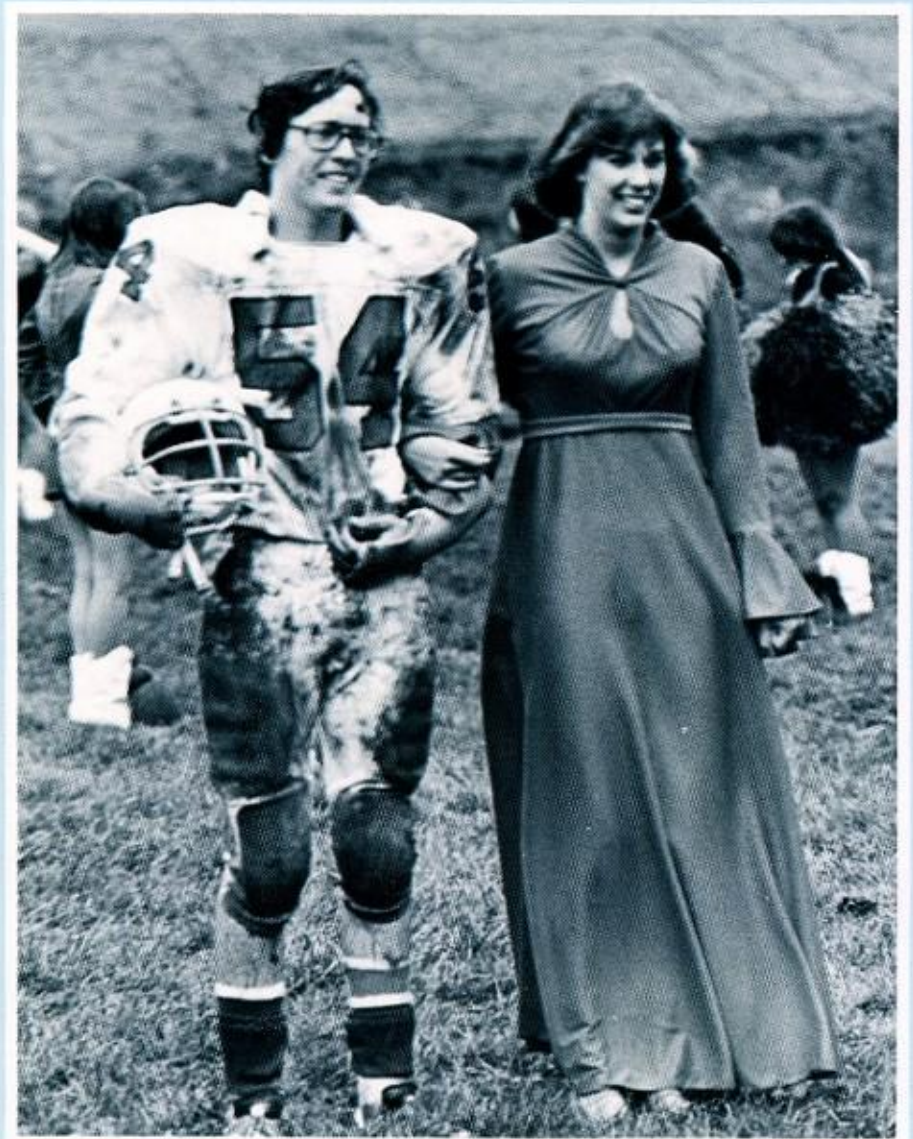

A sodden field and intermittent rain couldn't dampen the enthusiasm of Laurel Valley stalwarts as they celebrated the annual homecoming by defeating Berlin-Brothersvalley 10-8. The students elected Pat Suschak and Ellen Stewart king and queen. Other members of the court included Dave Bernabo, Debbie Keiper, Kevin Fuller, Gail Gamble, Tim LaMantia, Beth Boske, Lisa McClure, Ray Ritenour, Jim Darby, Dianna Lichtenfels, Patti Ritenour and Tom Conrad. Last year's royal couple, Jackie Pickup and Bryan Gregory, were on hand to crown this year's king and queen. The homecoming theme, "If Wishing Could Make It So," was reflected in the colorfully decorated gym where evening festivities were held.

Happy couples attending '77 prom will

Pretty senior Val Csehoski was named queen of the 1977 Junior-Senior Prom, one which seemed certain to live up to its theme "Moments to Remember." Following the Grand March in the school auditorium, the happy couples journeyed to Ligonier's Holiday Inn for dinner and dancing to the music of Wichita Smith. Post prom activities included swimming, bowling, a buffet lunch, a performance by hypnotist Dick Hazley and dancing to the music of disc jockey Joe Gehring of WQTW.

Flood of 1977 causes tragic loss of

To the world it was the third tragic Johnstown flood, but the July 20 catastrophe was equally devastating to the small Laurel Valley communities. Sections of Bolivar were inundated, but the New Florence and Seward regions bordering the Conemaugh River bore the brunt of the disaster. Both towns had mobile home parks situated along the river. A timely warning permitted all the New Florence residents to be safely evacuated, but for many from Seward, the warning never arrived. Both trailer parks were totally destroyed, but in Seward 13 lives were lost. Hundreds of survivors spent hours clinging to trees and roofs before being rescued by helicopters. Included were parents who managed to keep their small children safe against the force of the rushing waters. Many students returned to Laurel Valley in September still not fully recovered from the shock of a disaster which changed their lives.

The scenes at right and below reveal how mobile homes and autos were strewn together by the force of the flood waters that ravaged the Seward area. The trailer court, located along the banks of the Conemaugh River, was completely destroyed. Photos courtesy of the Indiana Evening Gazette.

The Laurel Valley baseball team ended the 1977 season with an overall record of 7 victories and 8 losses. The Rams finished 2 and 3 in exhibition games. In preparation for their season opener, Head Coach Gerald Page and Assistant Coach Robert Bendel drilled the team on the all-important basics. Hard work paid off with an impressive 8-1 victory over Latrobe. However, from this point on, they sported only a 1-3 record in exhibition games. In league play, the Rams finished 5-4, after losing three of their first four league games. This league record was good enough to give the team a berth in the District 6 playoffs. LV played West Branch High School at Altoona and was eliminated by the score of 5-0. During the season, several players turned in fine performances for the team. Pitcher Gregg Crusan posted a 4-0 record, while Ken Skiles finished at 3 and 3. Kevin Moore led the team in batting with a .357 average and he tied Don Harnish for the team high in RBI's with 7.

Varsity Rams - plagued by injuries - still post

This year's varsity Rams owned an overall record of 4 wins, 4 losses, and 1 tie, and compiled a 4-1 mark in the Appalachian Conference Eastern Division.

Under the direction of Coaches Bert Toy and Gerald Page, the team began practice sessions in mid-August with high hopes for a winning season. However, early season injuries to returning lettermen Tracy Howe, Don Heming, and Ray Ritenour did not help the team's progress, as these boys missed most of the season. Because of injuries, many players were shuffled and given new positions. In mid-season JV quarterback Rich Dohoda moved into the varsity slot, as Bob Pardee was shifted to end to replace injured Don Heming.

In league play, the Rams defeated Blacklick Valley, Ferndale, Meyersdale, and Berlin, while their only loss was to Shade, 21-0. The team held on to a chance for a possible playoff berth until the final week of the season, when Shade won their last game of the year, moving LV into second place in the division.

The JV Rams opened the season with a 6-0 win over Ferndale, but lost their next four games. The trouble came mostly from the promotion of quarterback Rich Dohoda to the varsity squad. The team closed with a record of 1-4-1.

The Laurel Valley Junior High Rams had an impressive 5-1 record this season. Their only loss was to Meyersdale, 10-6. The team's record over the past four seasons has been 24-2. A potent passing attack was the main offensive weapon, with quarterback Henderson connecting for 9 touchdowns. Determination added to above-average size meant success.

Dribble, shoot, score! Two more points for the Ramettes. This was often the scene when our Laurel Valley girls appeared on the floor. The 1977-78 team had the most successful season in the history of the basketball Ramettes. The squad was aided by the talents of returning "Letter ladies" Nancy Galbraith, Lisa McClure, Beth Caldwell and Gloria Cunningham.

Although many of the girls were involved in other activities, they did their best to attend the practices each day after school.

The team's success depended on all five starters, but it was aided by the individual efforts of high scorers Wendy McClure and Gloria Cunningham.

The 1977-78 edition of the Laurel Valley band, as always, was never idle. Under the direction of Mr. Eugene Gorirossi and field director Gail Gamble, members of the band spend the last two weeks of summer, usually the hottest, preparing half time shows for varsity football games. Playing tunes such as "Entry of the Castilians," "If My Friends Could See Me Now," and "Let There Be Peace On Earth," the band provided a musical variety with every performance. From the stands and at pep rallies, fans often heard the sounds of "The Horse" or "Hustle, Hustle." When they weren't performing, the band supported the cheerleaders by providing an enthusiastic cheering section.

As football season ends, the band begins to practice for their Christmas concert. When spring arrives, the band celebrates with another concert. To raise money for their annual banquet, band members sold sausage and cheese at Christmas time. Ending the busy year, the band plays "Pomp and Circumstance" as the seniors say good-bye.

Under the leadership of Captain Brenda Shetler, the Pomettes put hours of hard work into their routines. The Silks attend band camp, where they master new routines and maneuvers. Carriers spend long, tiresome hours perfecting these graceful movements. Timing is also very important.

This year's captain, Sue Murphy, provides the leadership and patience to make this group a success and a great asset to the Laurel Valley band.

Mr. Gorirossi holds tryouts each spring. At this time new members are selected to take the places of the graduating seniors.

Parents observe as NHS inducts 16 in traditional ceremony

The National Honor Society recognizes students who have shown outstanding scholarship, leadership ability, excellent character, and who participate in school and community activities.

Each year a list of the students meeting the minimum grade point average is given to all faculty members. They then vote for those students who they feel meet the requirements set up by the national organization. The National Honor Society Selection Committee then makes the final decisions based on academic records and teachers' recommendations.

The National Honor Society Induction service was held on March 31. At the candlelight ceremony the new members were initiated into the society and received their certificates. After the ceremony, cookies and punch were served to the guests and their parents in the library. The refreshments were served by Mrs. Spory's twelfth grade foods and nutrition class.

These citizens are an important part of the teaching program. The work experience prepares the students for full-time work following their graduation. Mr. Robert Bendel is the Occupational teacher and coordinator of the work experience program.

The 1978 Laurel Staff would like to express their appreciation to the following people for their assistance in the production of this year-book:

Mrs. Peters for her extra help in the publication of the book; for giving up her time to work on pages and to type copy.

Mrs. Chisnell for her unending patience and good humor when correcting our many errors.

Mr. Wahl and the business staff for heading the magazine campaign and raising enough money to add pages to the book.

Mr. Sylvan Pinto for his assistance with the color section and cover.

Jim Laughner for his outstanding work as student photographer.

The Indiana Evening Gazette for permission to reprint pictures of the flood.

Gradler Studios for their fine photography and technical assistance for the school photographers.

The journalism class for picture identification, indexing, and score-keeping.

The teachers and administration for their patience and cooperation on picture days.
